

# Salacia Extract

## About Us

---

For more than a decade, **Botanic Healthcare** has nurtured a broad range of plant extracts for use in the health, food, pharmaceutical, nutraceutical, and cosmetic industries.

---

**Botanic Healthcare** always adheres to its corporate mission of creating a healthy life, strictly controls product quality, and is certified with ISO 9001:2015 and ISO 22000:2018 quality management system certificates, including Halal and Kosher certifications.

In addition, we are continuously making innovations and developments and have been issued with NSF GMP, complying with USFDA dietary ingredient guidelines. At the sametime, Botanic Healthcare has applied for several patents for its innovations in R&D.

## Salacia

Salnic™ is a standardized extract from *Salacia reticulata*, containing optimal amount of salacinol. Salacia is native to the Indian region, where the species of *Salacia reticulata* has a role in Ayurveda as an anti-diabetic herb, particularly during the early stages.

**Salnic™ & SaliBio™ is focused on weight management and blood sugar management.**

SaliBio™ is a standardized extract from *Salacia reticulata*, containing optimal amount of mangiferin.

**Salnic™ and SaliBio™ are water soluble and they can be incorporated in gummies, functional foods and beverages, dry drink mixes and teas.**

# Our Strength

## **Sustainable**

- Equipped to withstand market fluctuations
- Clear long term vision and planning
- Proactive approach to develop products for the future

## **Self - reliant**

- Guaranteed availability of quality raw material
- Self-sufficiency in raw material availability and technical expertise

## **Socially responsible**

- The farmers assured of better and steady income
- Improved quality of life for their families
